

Health, biotechnology and autonomy: economy and organization

Term presentation

Term paper

**Subject:**

1. [\(16 groups of 3 students\) Pick a country of your choice](#)

For this country, investigate the concepts covered during the class this session:

- Consideration of health economy (and/or historical variants: medical economy, health political economy)
- Organization of its health system
- State of the health market
- Analysis and evaluation of its health policies
- Regulation of the healthcare expenditure
- Hospital health supply
- Existing health inequities and its management

**To be handed over**

1. Presentation

12-minute presentation + 5 minutes for questions during a lecture to the whole group. You will be sharing your computer screens. Presentation support in English. Speech in French or English.

2. Paper

15-page report (PDF) in English, including:

- a clickable table of contents
- a section dedicated to your references (references for anything cited, text, table, graph or illustration). Make good use of the [vast resources](#) you have access to, via the PULV Digital Learning Center, section "Ressources numériques".

**Pdf file names:**

GroupNumber\_Report\_FamilyName1\_FamilyName2\_FamilyName3.pdf

GroupNumber\_Presentation\_FamilyName1\_FamilyName2\_FamilyName3.pdf

**Deadline (for both Report and Presentation):**

**December 9<sup>th</sup>, 2022; 1:00PM. Nothing will be accepted after that point.**
